## **FAQ about pricing?**

### **Are prices in the chart Monthly or Annually?**

We only offer Annual pricing options.

### ***Why are there no monthly fee options?***

We view wrestling as a **team sport**. When you join our club, you must commit to the entire season. We will not make any exceptions to this.

### ***Why are there multiple intake dates?***

We do this because we realize that the wrestling season is long and athletes may have other commitments in the fall. Additionally, school wrestling programs may be the first look at the sport of wrestling so we want to be able to provide an opportunity to those athletes to experience wrestling after their school season.

### ***Why are there two tiers of pricing?***

We offer a discount for athletes trying wrestling for the first season. After which they go into the second tier of pricing. We do this to help encourage new athletes to try out our sport.

### ***Do you offer a drop in practice or trial?***

We DO NOT offer drop in at any time.

We do offer a non refundable 2 week trial, only available at certain intake for \$200.

Price of the trial is not included in the team fee if athletes wish to continue.

### ***How do I know which pricing tier my athlete is in?***

If you are new to Spartan Wrestling you will be in the "First Year Athlete" pricing tier. If you have a season with us or more then you are in the "Second Year Athletes and Beyond" Tier.

### ***Can I sign up once per week?***

We only offer a once per week option for our elementary athletes in Tykes and Kids age groups. Grades 6 and older are twice per week.

## **Super Saturday pricing \*Athletes must be members of Spartan Wrestling Club to register for super saturdays**
